

Marketing Mod 6 Part 1

Basic Design Vocabulary

Student's Name: _____

Design is more than placing pictures on pages. It is more than picking pretty fonts. It is more than using blue, "because it is my favorite color."

Good designers evolve and good design communicates. It draws the reader in, it enhances stories, it drives your well-chosen theme.

Instructions:

Study the PDF **Terminology** including the design and definitions. Using the design below, identify the parts of a double page spread.

Use the following terms for identification of the spread.

Bleed

Caption

Copy

Dominate Photo

Eyeline
