___ Red  ___ Orange  ___ Yellow  ___ Green  ___ Blue  ___ Purple

RESULTS

Red
Your personality is vibrant. You are passionate and determined when it comes to your interests. You portray a sense of confidence that is very appealing to those around you. You can also be stubborn and your boldness may turn some people away, but you don’t let that stop you from getting what you want.

Orange
You are active and energetic. You are a good negotiator and try to remain open-minded to other schools of thought. Although you can be very playful, sometimes it seems like you are goofing off.

Yellow
You are responsible and committed to getting projects done. Of all your friends, you are seen as the sensible one. Although some may accuse you of being too rigid, they always know they can count on you for help and consistency.

Green
You are curious and an intellectual. You are able to remain calm in most situations. Because you are often seen as scholarly, you can be cynical of others around you. Just remember that others mean well and can be intimidated by your quiet nature.

Blue
You are loyal and empathetic. People find you sincere and trustworthy. You can be a romantic, but also somewhat idealistic and naive. This makes you creative and helps you think outside of the box.

Purple
Your sensitivity and gentle nature make you easily approachable. You are peaceful, but you can also be seen as a little eccentric sometimes.
